COURSEWORK

UNDERGRADUATE
Data Structure And Algorithm
Problem Solving
Object Oriented Programming
Database Management System
Operating System
Multithreading

SKILLS

PROGRAMMING
Languages:
Java • C • C++ • CSharp
JavaScript • Matlab • HTML • CSS
Frameworks:
SpringBoot •Apache Maven • JPA •
JDBMS • Hibernate • MYSQL •
Microservices
Familiar:
• GitHub • JUnit • BitBucket • Kafka •
Git • Angular • Redis • CheckMarx • Jira

EXPERIENCE

INFOSYS
 | System Engineer
Apr 2022 - Present | Noida, India

- Worked on Migration Project and Resolved every sort of vulnerabilities in different apps.
- Decent understanding of BitBucket, GitHub, CheckMarx, Jira and BamBoo.
- Deeply involved in the Testing, Building and Deployment of different applications after major modifications in coding.
- Using RESTful web services and Springboot, created Web services and APIs for the application. Worked on technology stacks such as Java, Spring Boot, Thymeleaf, Spring Security, Spring Batch and MySQL database.
- Worked on different modules and implemented different RESTful APIs
- Completed tasks with in given ETA. Worked on different technologies like Hibernate and Kafka.
- Worked in multiple dynamic teams, coordinated efficient large scale software deployments and participated in code reviews
- Conducted a knowledge sharing session with the newbies to boost team skill set and good communication skill.

PROJECTS

MOVIE TICKET BOOKING | Java Backend
GitHub

- A Java based Web API project to book the movie ticket and add reviews to the movies and to filter movies according to their genres.
- In this project Springboot framework is used with Spring security, MYSQL, Hibernate, Kafka and Java Mail API is used

E-COMMERCE PROJECT | Java Full Stack
GitHub

- Developed a complete shopping website using Java, Spring Boot, Thymeleaf, Bootstrap, jQuery and MySQL database. Learned how to use JUnit, Spring Test, AssertJ and Mockito for unit tests and integration tests
- Used Spring RESTful Webservices in conjunction with jQuery on the client side

ACHIEVEMENTS

- Solved 300+questions on LeetCode, HackerRank and GeeksForGeeks.
- Having a 5 Star rating in Java and 5 Star rating in Problem Solving on HackerRank.
- Secured Top 7 Perc. AIR in GATE-2021 among 1 Lakh Candidates.

CERTIFICATIONS

- Infosys Certified Spring Boot Developer
- Infosys Certified Java SE8 Developer
- Infosys Cerified Java SE11 Developer
- Infosys Global Agile Certificate
- Infosys Certified Java Programmer
- GeeksForGeeks Java Backend Developer Certificate
